It's Christmas Eve, and a young newspaper reporter on the brink of being fired has been assigned a last-chance story about a typical family Christmas, his

family's Christmas. He goes home to his recently widowed mother, his crazy uncle, his eccentric grandmother, and his battling siblings and their neurotic spouses, who provide no shortage of material. One by one, we learn each family member's secrets, problems, and dysfunctions, and when they learn that he's writing an article with some very personal family information, the fruitcake hits the fan. The question is, will the magic of Christmas bring this family back together.

The epic struggle between good and evil comes to life on stage in the musical phenomenon, *Jekyll & Hyde*. Based on the classic story by Robert Louis Stevenson and featuring a thrilling score of pop rock hits from multi Grammy and Tony nominated Frank Wildhorn and double Oscar and Grammy winning Leslie Bricusse, *Jekyll & Hyde* has mesmerized audiences the world over.

An evocative tale of two men: one, a doctor, passionate and romantic; the other, a terrifying madman and two women: one, beautiful and trusting; the other, beautiful and trusting only herself. Both women in love with the same man and both unaware of his dark secret. A devoted man of science, Dr. Henry Jekyll is driven to find a chemical breakthrough that can solve some of mankind's most challenging medical dilemmas. Rebuffed by the powers that be, he decides to make himself the subject of his own experimental treatments, accidentally unleashing his inner demons along with the man that the world would come to know as Mr. Hyde.
