The epic struggle between good and evil comes to life on stage in the musical phenomenon, *Jekyll & Hyde*. Based on the classic story by Robert Louis Stevenson and featuring a thrilling score of pop rock hits from multi Grammy and Tony nominated Frank Wildhorn and double Oscar and Grammy winning Leslie Bricusse, *Jekyll & Hyde* has mesmerized audiences the world over.

An evocative tale of two men: one, a doctor, passionate and romantic; the other, a terrifying madman and two women: one, beautiful and trusting; the other, beautiful and trusting only herself. Both women in love with the same man and both unaware of his dark secret. A devoted man of science, Dr. Henry Jekyll is driven to find a chemical breakthrough that can solve some of mankind's most challenging medical dilemmas. Rebuffed by the powers that be, he decides to make himself the subject of his own experimental treatments, accidentally unleashing his inner demons along with the man that the world would come to know as Mr. Hyde.

When Annie's husband John dies of leukemia, she and best friend Chris resolve to raise money for a new settee in the local hospital waiting room. They manage to persuade four fellow WI members to pose nude with them for an "alternative" calendar, with a little help from hospital porter and amateur photographer Lawrence. The news of the women's charitable venture spreads like wildfire, and hordes of press soon descend on the small village of Knapeley in the Yorkshire Dales. The calendar is a success, but Chris and Annie's friendship is put to the test under the strain of their new-found fame.
